

Associates of Johnstown, Inc.

CANCELLATION POLICY

Ear Nose and Throat Associates requests a **24 hour notice of cancellation** for appointments.

We recognize that situations may arise that will not permit our patients to keep their scheduled appointments. We respectfully request a 24 hour advance notice so that your appointment time can be given to another patient who is in need of our care.

If you fail to keep two appointments without giving a 24 hour advance notice, you may not be scheduled for any future appointments.

We appreciate your cooperation.
